**F Frankie**

Some people get paid far too much. Footballers earn amazing amounts for kicking a ball around. Pop stars are just as bad. I think people like nurses and fire fighters should be paid much more. After all, they save lives.

**A Ash**

You're so wrong, Frankie. Footballers and pop stars have special talents and bring happiness to people. They are worth every penny. People don't go into nursing or the fire service to earn a fortune.
