

## Study Plan

Name \_\_\_\_\_

 **Functional Skills Maths Level 2**  
Course

**Planned End Date**  
(Fill this in with your teacher tutor) \_\_\_\_\_

### Study Plan

Topic	Topic Area	Date Started	Date Completed
Ordering Numbers	Using Numbers	<input type="text"/>	<input type="text"/>
Addition and Subtraction	Using Numbers	<input type="text"/>	<input type="text"/>
Division	Using Numbers	<input type="text"/>	<input type="text"/>
BIDMAS	Using Numbers	<input type="text"/>	<input type="text"/>
Fractions	Using Numbers	<input type="text"/>	<input type="text"/>
Decimals	Using Numbers	<input type="text"/>	<input type="text"/>
Rounding and Estimating	Using Numbers	<input type="text"/>	<input type="text"/>
Percentages	Using Numbers	<input type="text"/>	<input type="text"/>
Fractions, Decimals, and Percentages	Using Numbers	<input type="text"/>	<input type="text"/>
Ratio	Using Numbers	<input type="text"/>	<input type="text"/>
Proportion	Using Numbers	<input type="text"/>	<input type="text"/>
Formulas	Using Numbers	<input type="text"/>	<input type="text"/>
Unit Conversions	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Area	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Circles	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
3D Shapes	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Volume	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Using Length, Area and Volume in Calculations	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Coordinates	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Angles in 2D Shapes	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Mean, Median, Mode and Range	Handling Information and Data	<input type="text"/>	<input type="text"/>
Comparing Data Sets	Handling Information and Data	<input type="text"/>	<input type="text"/>
Estimating the Mean	Handling Information and Data	<input type="text"/>	<input type="text"/>
Probability	Handling Information and Data	<input type="text"/>	<input type="text"/>
Probability Tables	Handling Information and Data	<input type="text"/>	<input type="text"/>
Scatter Graphs	Handling Information and Data	<input type="text"/>	<input type="text"/>
Numbers and Place Value	Using Numbers	<input type="text"/>	<input type="text"/>
Multiplication	Using Numbers	<input type="text"/>	<input type="text"/>
Conversion graphs	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Problems Involving Money	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Best Buys	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Interest and Compound Interest	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Speed	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Density	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Perimeter	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Nets	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Surface Area	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Plans and Elevations	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
Maps and Scale drawings	Common Measures, Shape and Space	<input type="text"/>	<input type="text"/>
