

Entry 1

Create a flyer

1 You have received an email or text message.

The message has new information about the London Eye in it.

Open the email or text message.

(3)

2 Use the information in the email or text message to:

- enter any missing information in the flyer
- correct any information in the flyer.

(2)

3 The flyer contains an image of the London Eye.

Put a label on the image so that the tourists know what they are going to see.

(2)

4 Save the flyer.

5 Print the flyer.

(Total for Task = 7 marks)
