Instructions

- Use a **black** ball-point pen.
- Fill in the boxes at the top of this page with your name, centre number and candidate number.
- Sign the declaration.
- Answer **all** questions.
- Answer the questions in the spaces provided there may be more space than you need.
- Calculators may be used.

Information

- The total mark for this paper is 48.
- The marks for each question are shown in brackets
 - use this as a guide to how much time to spend on each question.
- You must show clearly how you get your answers because marks will be awarded for your working out.
- Check your working and your answers at each stage.
- This sign shows where marks will be awarded for showing your check.

Advice

- Read each question carefully before you start to answer it.
- Keep an eye on the time.

Turn over 🕨

SECTION A: The beehive

Answer all questions in this section.

Write your answers in the spaces provided.

1 Alia keeps bees in a beehive.

•

She needs to check the beehive on a day when

- the wind speed is less than 15 km/h
- the temperature is greater than 10 °C.

Alia has this weather forecast.

	Mon	Tue	Wed	Thu	Fri	Sat	Sun
wind speed (km/h)	26	19	16	13	19	15	13
temperature (°C)	9	10	11	14	9	8	8

(a) On which day should Alia check the beehive?

Write your answer in the box below.

3 Alia wants to send a parcel to her friend. The parcel is 2 jars of honey in a box.

Each jar of honey weighs 625 grams. The empty box weighs 70 grams.

Alia finds the following prices for sending parcels.

	weight of parcel					
type of postage	less than 1000 g	1000 g to 2000 g				
first class standard	£3.40	£5.50				
second class standard	£2.82	£3.82				
first class signed for	£4.40	£6.50				
second class signed for	£2.90	£3.90				

Alia wants to send the parcel first class standard.

How much will it cost to send this parcel using first class standard?

The opening hours for the beach office change during the year. 7

These are the opening times for the beach office.

Peak season Monday to Sunday	9.30 am to 6.30 pm
Off-peak season Monday to Friday Saturday and Sunday	9.30 am to 3.30 pm closed

Marta wants to compare the number of hours the office is open each week for the two seasons.

(a) For how many more hours is the office open **each week** in the peak season than in the off-peak season?

Use the box below to show clearly how you get your answer.

Marta needs to cover the whole floor in 3 of the beach huts with tiles.

The floor in each beach hut is rectangular 400 cm by 200 cm. Each tile is square 50 cm by 50 cm.

Each tile costs £8.99

Marta has £850 to spend on the tiles.

(b) Is £850 enough to buy all the tiles Marta needs?

Use the box below to show clearly how you get your answer.

Section C: At a cinema

Answer the questions in this section.

Write your answers in the spaces provided.

8 Teddy works at a cinema.

He sells frozen drinks in 4 different flavours.

Teddy wants to compare the number of sales of each flavour. He has this information about the sales last week.

flavour	raspberry	cherry	lemon	orange	
number of sales	195	80	155	110	

(a) Draw a graph or chart to compare the number of sales of each flavour last week.

Use the graph paper below to draw your graph or chart.

Teddy has a machine to make fizzy drinks. The machine uses 1 part syrup to 5 parts water to make each drink.

A medium drink is 500 ml.

Teddy has 7 litres of syrup for the machine. He thinks this is enough syrup to make 85 medium drinks.

(b) Is Teddy correct? Show why you think this.

 (a) How much will Reece save using the special offer to buy his large drink and large popcorn?
Show a check of your working.

Use the box below to show clearly how you get your answer.

Show your check in the box below.

 \checkmark

Reece wants to know what time he will get to the bus stop after the film finishes.

The film

- starts at 3.30 pm
- lasts for 135 minutes.

It will take Reece 10 minutes to get to the bus stop from when the film finishes.

Reece thinks he will get to the bus stop at 5.50 pm.

(b) Is Reece correct? Show why you think this.

(4)

Use the box below to show clearly how you get your answer.
