Hello Jay,

I want to go to the college open night on Tuesday. I want to do a Maths course there. I thought I would send you this message.

Would you like to come with me? It might be wet so bring a coat.

We can get a bus there at 3 o'clock. We can then catch a bus back at 6.

Their advert says they can find work experience on the course.

Subject: College Open Night

Dear Dan,

I went to the college open night on Tuesday. It was really good. I looked at some leaflets. I found out about Maths and English courses.

They have a large free library for students with lots of computers. They also have a free gym for students.

When I was there I had a go on the climbing wall. I would really like to go there in September.

I think I'll book on to a Maths course.
